Dear Patients,

**We regret to inform you that our office will permanently close its doors on May 17, 2024.**

Our last day to see patients for comprehensive exams is planned for April 26, 2024. If you have an appointment booked with us beyond this date, we will contact you to explore the possibility of rescheduling for an earlier date. Alternatively, you may choose to schedule a visit at:

For Your Eyes Only Optometry Center has agreed to accept all Oakland Vision Center patients to its practice.

Our office will continue to see patients for scheduled follow-up appointments until May 10 or for emergencies until the official close date on May 17.

After the office closes, your medical records will continue to be available for the period of time required by law at For Your Eyes Only Optometry Center who will be the custodian of your records, at the information listed above. You may obtain a copy of your medical records or request your current eyewear prescriptions by contacting the team there. Patients who have not picked up their eyewear and do not have a balance may also have it mailed to them.

It is important for you to make arrangements to continue to receive quality eye care. If you wish to continue your care with For Your Eyes Only Optometry Center, you may call 925-933-1344 to schedule an appointment or go to [www.foryoureyesoptometry.com](http://www.foryoureyesoptometry.com) to request one online.

Alternatively, if you need assistance finding an optometrist or ophthalmologist, you may contact your health plan and request a list of providers specializing in this type of care in your plan's network. You may of course have your records transferred to the eye care professional of your choice.
